

At The BE Network, 'volunteering' isn't a slogan, political agenda or cost saving exercise. It's bigger, it's better its beautiful! Its about passionate people working together to 'BE' the difference they want to see in the world.

The purpose of this lovingly designed little flyer is to introduce you to how you can 'BE' the difference for young people, children and families in mid Suffolk.

We believe in young people. We believe they have immeasurable worth and are valuable, exceptional and unique. We believe they can change their personal world and the world we live in.

But it isn't just 'youth workers' who are needed to make this happen.

The Mix exists to empower and enable Young People to change their world and ours and we strive everyday to empower, support & protect young people so they can discover their true value and build their best future.

We need you to help this vision become a reality!
